Dear English Teacher,

Congratulations on receiving your students' ASSET test results!

ASSET helps us understand where your students excel and where they might need more support.

Let's celebrate the strengths your students have shown in English are:

Interprets the lines of a poem
Identifies and recalls direct facts in the passage

Great job nurturing these talents!

Now, let's look at areas where we can help them grow even more. Here's where they can improve in English :

Knows correct spellings and phonics in words
Knows punctuation and sentence formation

To assist you in this journey, we've created a special booklet. It's designed to focus on the questions/ skills that need a little boost. The booklet provides insights into each student's progress and highlights questions that sparked interest or posed a challenge.

Take your time going through the analysis to understand how each student is doing. You'll find different sections in the booklet to spot learning gaps and dive into specific questions that need attention. Your students have personalized booklets, called Student MyBooks, too. These are tailored to their needs, giving them a glimpse into the areas where they can practice more.

Feel free to use these resources in class, and let us know how it goes. We're here to help and learn from your experience. Share your thoughts with us at info@ei.study.As you guide your students through their learning journey, you're helping them become even better. Best of luck!

The Bird's Eye View shows a comparison of the performance of your students with the national average performance.

Your class 5 C, has performed better than the national average in the English ASSET paper this year.

Class 5	English	No. of students
5A	119%	34
5B	122%	32
5C (Your Class)	123%	32
All sections combined	121%	98

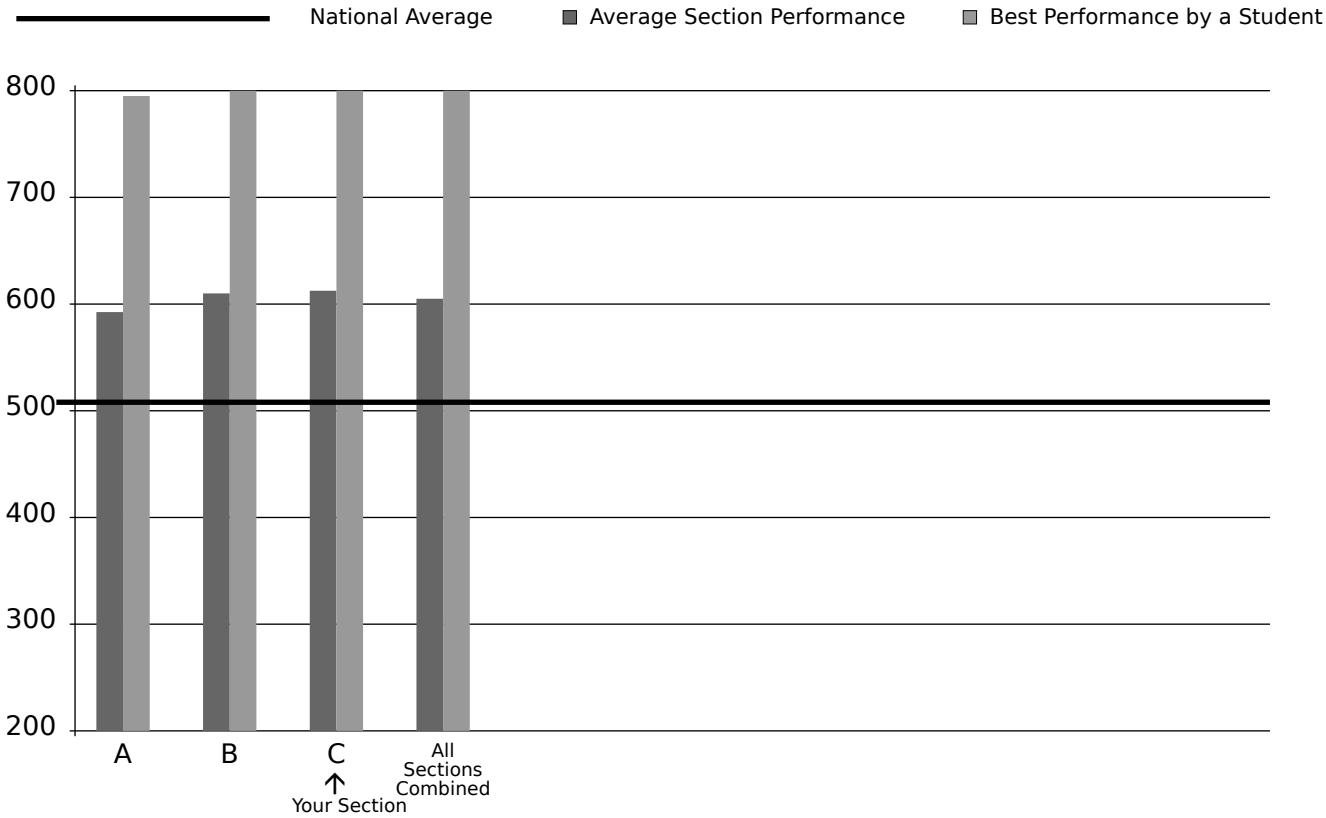
Performance as a percentage of National Average

Above Average(>105%) Below Average(<95%) Within Average(95% to 105%)

National average is taken as 100%. The value in the table indicate performance as compared to the national average.**E.g.** For a class average of 520 and overall average as 500, overall benchmarking %= (520/500)*100 = 104%. 95% to 105% is treated as similar to national average performance.Performance greater than 105% and below 95% is considered as performance above and below the national average range respectively.

Performance Data

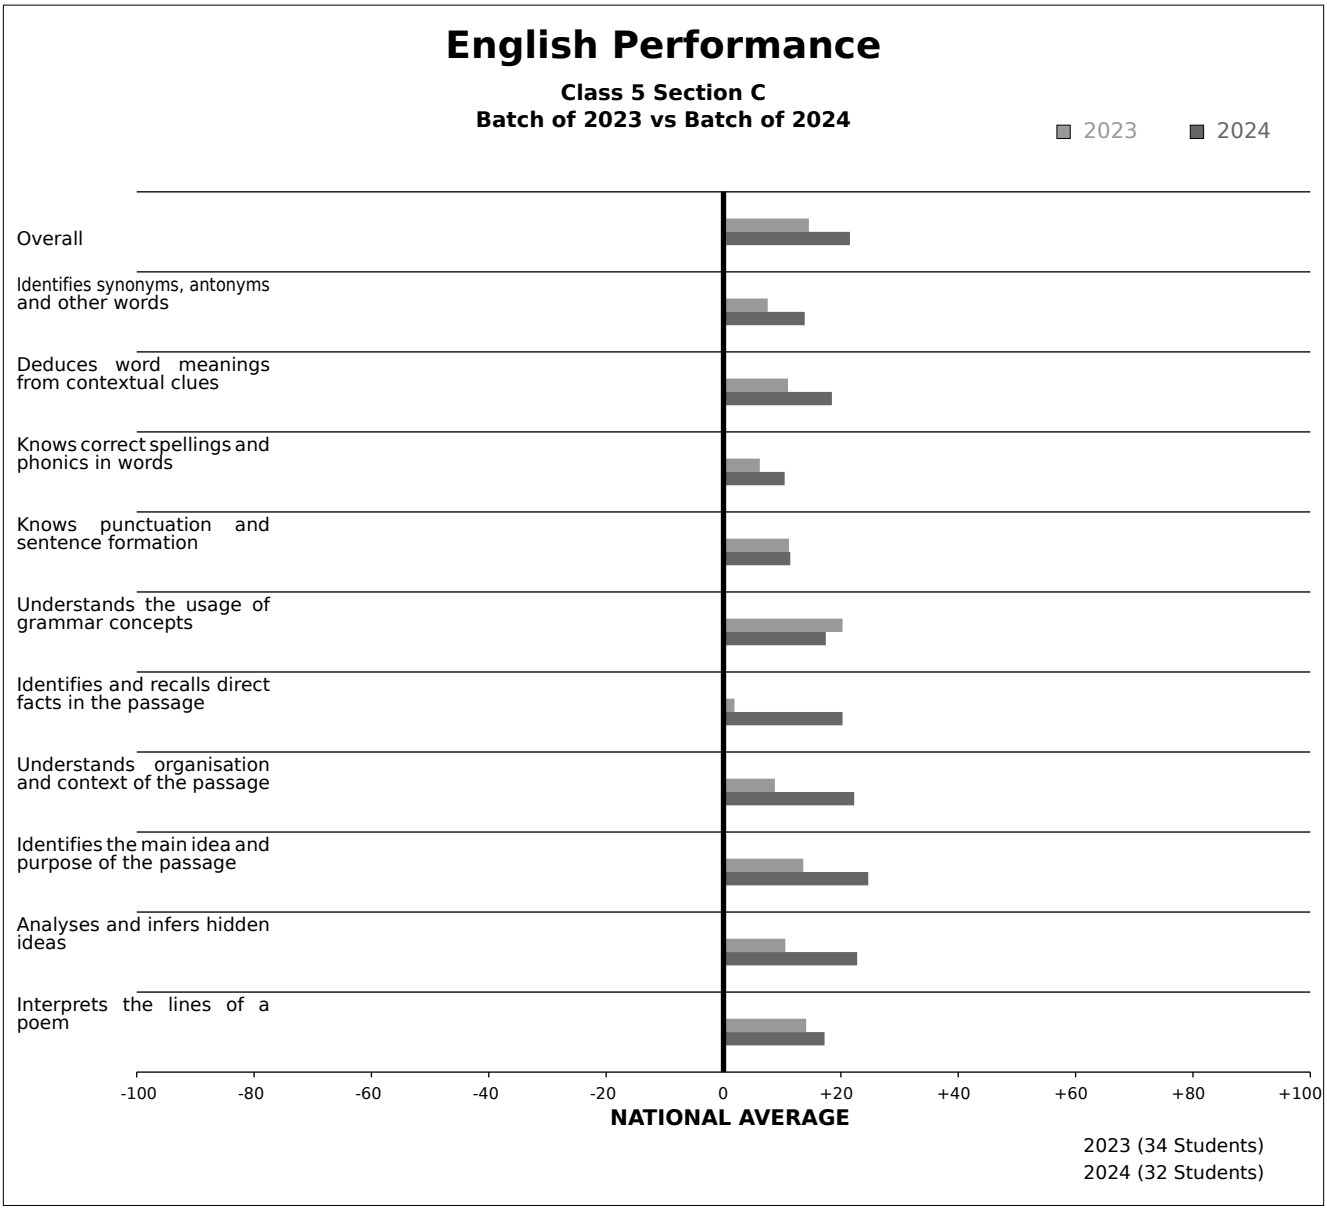
Comparison of section average and best performance with all schools in the country.



Comparison of performance of students of the current batch with the previous batch:

The following graph compares the performance of your current batch of students against the previous batch. The horizontal bars in the graph show how students of your class have fared against the national average in each skill across two years.

The thick black vertical line in the centre marks the national average.For example, a bar towards the right would mean that students performed higher than the national average that year in the particular skill.



This table shows how your students' performance compares to the overall school performance and the national average (all other schools in India). The skills with a '*' in the first column, if any, are those in which your students have performed better than the national average.

From the questions that students across the country have found the most difficult, we have chosen a few to highlight potential misconceptions that students might have. For each question, we have given a break-up (in percentage form) of the number of students choosing a particular option. This has been done both for the section of your school and all the students nationally. Compare these to find out how your students have performed.

We have highlighted in light grey the correct option and in dark grey the most common wrong answer, and provided an explanation of why students are choosing the most common wrong option. It is recommended that you discuss these questions with the students to uncover students' rationale in choosing the most common wrong option. (Please refer to the ASSET paper for the complete text of these questions.)

Q 12 *On weekdays, I get ready _____ to reach school on time, but on weekends I spend my mornings* lazily .

Which of the following words is OPPOSITE in meaning to the underlined word and BEST completes the sentence above?

A early **B** slowly **C** hurriedly **D** regularly

To answer this question, students need to read the instruction carefully and then choose the word opposite in meaning to the underlined word and complete the given sentence. Students who choose C have identified the correct antonym of the word 'lazily'. The word 'lazily' means 'slowly AND comfortably, OR AT ONE's own pace'. The word that conveys the opposite meaning IS 'hurriedly' which means 'quickly, without much time to spare'. SOME students who have selected OPTION A AS their answer have NOT followed the instruction TO identify the word opposite IN meaning TO 'lazily'. These students have simply checked IF the word IN OPTION A can be used IN the given sentence, WITHOUT bothering TO verify BY analysing the meanings of the words.

Q 36 *My mother said that wasting food is not* acceptable .

In which of the following words is ' able ' used in the same way as the underlined word?

A cable **B** stable **C** washable **D** vegetable

This question tests the knowledge of suffixes that can be added TO verbs TO make them adjectives. OPTION C IS correct because the suffix '-able', WHEN added TO the verb 'wash', turns IN INTO the adjective 'washable' IN the same manner that 'accept' turns INTO 'acceptable'. OPTIONS A, B AND D are incorrect AS '-able' IS NOT a suffix IN 'cable', 'stable' AND 'vegetable' - they are ALL nouns that cannot be separated.

Q* 17 **Why does the bridge exercise require strong arms?**

A to spread the arms and legs wide apart in a straight line
B to be able to walk on the floor using both the arms and legs
C to support the weight of the body when the legs are up in the air
D to push the body forwards so that the legs can be bent forwards

Students would need to use their prior knowledge and analyse the given facts to answer this question. The figure and the details in the extract clearly indicate that the arms support the weight of the body when lifting it off the ground, more than the legs do. Many have chosen D because for them, that is possibly the first movement before lifting the body from the ground. Those who chose A are not relating to the figure and to the text in the passage

This section is crafted to aid students in practicing weaker skills. Use these in class discussions, gauge common understanding gaps, and tailor lessons. Answers and explanations are included. Employ a mix of question types to stimulate students' thinking. Here's how we've tailored the practice questions for each subject: For English, if reading comprehension is a challenge, we've provided full passages to work on. In Math, Science, and Social Studies, we've chosen questions based on areas where you've shown room for growth. Hindi practice focuses on non-reading comprehension skills. Computational Thinking covers a variety of skills across the class.

Q 1 Which word has the same MIDDLE SOUND as 'HOUSE'?

A caught **B** fowl **C** course **D** august

Explanation:

B: The middle sound refers to the sounds of the letters " **ou** ", which is the same as in "n **ow** ". Only "f **ow** l" has the same sound as in "h **ou** se". The sound in "c **au** ght" is the same as in "h **o** t". In Option D, the middle sounds are " **gu** "- a mixture of a vowel and a consonant. In Option C, (c **oa** rse), the middle sound is "c **oa** t".

Q 2 **Identify the option with the CORRECT spelling to complete the sentence given below.**

The policeman locked up the two thieves in _____ rooms.

A saprate **B** seprate **C** seperate **D** separate

Explanation:

D: Most of us tend to say the word to sound like, " seperate ", with the middle sound like an " er " but the correct way of saying it is to make the middle sound like an " a ". In that way the spelling of " separate " will also turn out right.

Q 3 **Identify the option with the CORRECT spelling to complete the sentence given below.**

The _____ took his sheep and goats to graze on the mountains.

A shepard **B** shepherd **C** shepperd **D** sheepherd

Explanation:

B: The correct spelling is " shepherd ". the letters, " herd " are said as in " heard ". The letters, " hard " in A(shepard) would be pronounced as in " hard " and with that the spelling of " shepard " becomes wrong.

Q 4 Which word best completes the given sentence?

'*My friends didn't want their team to _____ in the spelling game.*'

A lose **B** loose **C** luse **D** looce

Explanation:

A: These spellings are usually very confusing because they sound the almost the same. Only 2 spellings are correct here and that is " lose " and " loose ".The meaning of " lose " is " to put something where we cannot find it" or " not win in a game ". The meaning of " loose " is "something that is not tight ". In the sentence, the friends wanted their team to win in the game and not lose in it. So A is the answer. Options C and D do not exist in the English dictionary.

Q 5 **Choose the word with the correct spelling to complete the sentence below.**

There was a lot of _____ and thunder during yesterday's heavy showers.

A lightning **B** lightening **C** lightneing **D** leightning

Explanation:

A: The word " ligh t" is the same as for all kinds of lights. Going by the sound of the word " lightning ", we do not say the sound of " e ", as it is NOT present in the word, " lightning ", which means " flashes of light during a thunderstorm ". The word in Option B means to make a colour lighter or less heavy. The words in options C and D are not there in the dictionary.

Q 6 On a dictionary page listing words from ' host ' to ' house ', which of these words would appear just before ' house '?

A hostess **B** hour **C** hotel **D** hound

Explanation:

B: The word, " hour " appears before " hous e" in alphabetical order in a dictionary as the letter " r " comes just before, " s " after " ou ". In the word, " hostess ", the letters, " os " comes much before " ou ".

Q 7 **In which of these words is the vowel sound different from the vowel sound in '** bear '?

A dear **B** fair **C** mare **D** pear

Explanation:

A: We often confuse the way we say, " bea r" and " pear " to sound like the word, " hear ". But the sound of " bea r" is the same as words like, " fair, pear, mare, wear, hair " etc. Only " dear " is different in sound from all the options and from the word " bear " in the question.

Q 8 **Which of the following words has the SAME sound of '** g ' as in ' giant '?

A gate **B** brag **C** rage **D** igloo

Explanation:

C: Any word which has a " ge ", " gi " or a " gy " sounds like a " j " and we call it the soft sound. But any word with a " ga ", " go " and " gu " has the sound " g " as in " gold ". So only " giant " and " rage " have the same sound of " g ", that is, " jiant " and " raje "

Q 1 **Which of these BEST answers the question:**
What happened today?

A The chain snapped.
B I will watch a movie.
C We are making a scrap book.
D They laugh at me always.

Explanation:

A: The question asks about something that happened in the past and is over, so the answer must be in about an action that is over. Only the sentence in A is about an action that is over. Option B is about an action that has not yet happened. Option C tells us of an action that is going on and D tells us of an action that is done as a habit.

Q 2 Look carefully at the jumble of words given below:

chocolates - or - do you - like - better - sweets

Which arrangement of words makes a correct sentence?

A Do you like better chocolates or sweets?
B Do you better like chocolates or sweets?
C Do you like sweets or chocolates better?
D Do you like chocolates or better sweets?

Explanation:

C **:** The word, " better " describes the verb, " likes " and so usually appears at the end of the sentence. It is another way of asking the question, " Which do you like better, "chocolates" or "sweets "? In Option C, the order of words in the given question is grammatically correct.

Q 3 **the - plastic - will - help - in - reducing - use - environment - the - of - protecting**

Choose the option in which the SENTENCE is formed CORRECTLY.

A The use of reducing plastic will help in the environment protecting.
B Reducing the use of plastic will help in protecting the environment.
C Protecting the use of plastic will help in reducing the environment.
D Protecting the environment will help in reducing the use of plastic.

Explanation:

B: Only B conveys the right meaning. It shows that if we reduce the use of plastic, we will not have plastic to throw it here and there and thus we can protect the environment. In A, C and D, the way in which the words are arranged in the sentence is wrong and the meaning, therefore, makes no proper sense.

Q 4 What change is needed to make the sentences given below correct?

Mona couldn't get no sleep the night before her competition. She dreamt that her throat had become sore, and that she was unable to sing.

A Remove the apostrophe in 'couldnt'.
B Change the 'no' to' any'.
C Change the spelling of 'competition' to 'compitition'.
D Remove the comma after 'sore'.

Explanation:

B: By removing the apostrophe in ' couldn't ', we will be making a grammatically wrong word. By doing what is said in C, we will get a word with the wrong spelling. By removing the comma after 'sore', the word ' that ' will become extra in the sentence. Changing ' no ' to ' any ' is the best change to mean that Mona could not sleep well before the competition. If ' no ' remains there, it would mean that Mona could sleep well as she dreamt that her throat had become sore making it difficult to sing . If we use " couldn't " and " no " together in a sentence, the reason for which something happened will not match each other suitably. So we change that "no" to "any" to make the reason for the action clearer. (Mona couldn't get any sleep the night before her competition. She dreamt that her throat had become sore, and that she was unable to sing.)

Q 5 What change should be made to the sentence below to make it correct?

My week of journeys have just begun.

A Change ' have ' to ' has '.
B Change ' begun ' to ' begins '.
C Change ' of ' to ' in '.
D Change the full stop to an exclamation mark.

Explanation:

A: You probably feel that " have " is correct because of " journeys ", which is a plural noun. But " week " is the main subject and is a singular noun and we need to use " has " instead. So the only change to be made is to change the verb from " have " to " has ". The correct sentence should be: My week of journeys **has** just begun.

Q 6 **Which option completes Mithali's dialogue meaningfully?**

Megha: I love ice cream!
Mithali: Mmmm, _____

A also I! **B** so do I! **C** so am I! **D** I like also!

Explanation:

B: Megha says that she loves ice cream. So anything that anyone responds to must be correct in Grammar and should also agree with what Megha does or likes. Options A and D are all grammatically wrong. If Megha had said," I am hungry .", Then C would be correct. Therefore only B is correct because it means that the speaker agrees with Megha and shows that she also loves ice cream.

Q 7 Which part of the sentence has an error?

When I will go to school I will give my friend a chocolate.

A When
B I will go to school
C I will give
D my friend a chocolate.

Explanation:

B: When we create a sentence, we need to make sure that we do not use the future tense twice. The correct sentence should be, "When I go to school, I will give my friend a chocolate ." In this sentence there are two actions: " going to school " and " giving a chocolate to the friend ".The second action of " giving a chocolate " has already been decided and will surely take place and therefore, needs the " will ". But the first action may take place at any time and it is not decided when the speaker will go to school, so does not need the " will ".

Q 8 **Identify the sentence in which the arrangement of words is CORRECT.**

Salma - went - Tony - and - to - the - holiday - Himalayas - for - a

A Salma and Tony went for the holiday to a Himalayas.
B For a holiday Salma and Tony went to the Himalayas.
C To a Himalayas went Salma and Tony for the holiday.
D Salma and Tony went to the Himalayas for a holiday.

Explanation:

D: A sentence often begins with somebody's name or a pronoun like 'She' or 'He' etc. and tells us about some action that this person does and how, where, why or when she or he does it. In this sentence, we come to know about Salma and Tony who did something. They went to the Himalayas for a reason. They went here for a holiday. Only D shows us all this.
